JP Nadda Meets Delhi Health Minister To Review Preparedness For A H1N1

Assures All Support To Delhi Government

New Delhi, India, 14.10.2015, 18:10 Time

USPA NEWS - The Union Minister for Health & Family Welfare, Mr. J.P. Nadda chairing the review meeting on Swine Flu Preparedness, in New Delhi on Tuesday, October 13, 2015. The Secretary, Ministry of Health and Family Welfare, Mr. B.P. Sharma and other senior officers of the Health Ministry are also seen.

The Union Minister for Health & Family Welfare, Mr. JP Nadda met the Health Minister of Delhi Government Dr. Satyendra Jain to review the preparedness in Delhi for addressing and management of Influenza A H1N1 in the ensuing winter months on October 13. The Union Health Minister assured all support and cooperation to the Delhi Government in its efforts.

Mr. Nadda emphasized that it was a joint effort between the Central Government and Government of Delhi to ensure adequate measures are undertaken by health departments of both for timely and adequate action to minimize morbidity and mortality due to Influenza A H1N1.

During the joint meeting it was decided that guidelines for vaccination against Influenza A H1N1, infection control and standard treatment protocols would be shared with the Delhi Government; hospitals of both the Central and Delhi government are to ensure adequate stock of drug Oseltamivir and other consumables; and the Government of Delhi would work out a mechanism to fix ceiling rate in a realistic manner for testing of Influenza A H1N1 samples to minimize out of pocket expenditure by the general public.

It was also decided that data on cases due to Influenza A H1N1 in both Central and Delhi government hospitals would be shared, along with the media plans of both governments. Testing facilities would be started in AIIMS, Vallabhbhai Patel Chest institute and the National Institute of Malaria Research. These would be in addition to NCDC which is presently testing samples to diagnose Influenza A H1N1 in Delhi.

Training programme would be carried out in AIIMS and other Central Government hospitals to train doctors from the Delhi Government on proper ventilator protocol to manage complicated cases of Influenza A H1N1 who may develop respiratory complications.

Senior officials from both the Union Health Ministry and Delhi Government were present during the meeting.
